# SAMPLE BOARDS & DISPLAYS

Panel Processing can meet your retail display and sample board needs by providing you with our innovative range of tile and flooring displays systems. Our sample, tile and display sample boards are made from MDF; made to your specifications - any shape or size or pick from one of our standard board sizes. Panel offers lithographic mounting, silk screening and our specially formulated Eco-Finish™ water-based paint coating for digital printing. We also offer custom display stands made from our designs or yours. Display stands can be made with raw MDF, painted boards, HPL - you name it, we can do it!

## SAMPLE BOARDS

- Radius or square corners
- Bullnose or flat edges
- Routed hand holes and drilled mounting holes
- Eco-Finish™ digital print coating for direct to board printed graphics
- Painted one side or two, raw or painted edges
- Fabrication to exact specifications including fully finished boards and/or raw cut-to-size boards
- Lithographic mounting
- Custom handle shapes

## STOCK SAMPLE BOARDS
