

THE PEGBOARD SKINZ JOURNEY

We just punch the paper

Being the nation's Pegboard leader, we figured out a way to punch holes in paper too! Pegboard Skinz allow you to dress up, change with the seasons or just freshen up a retail environment quickly and easily at an affordable rate!

With that being said, we are often asked if we stock our Pegboard Skins...nope - we simply punch the paper that our customers provide. Come with us on a journey to understand the Pegboard Skinz Process!

YOU PRINT YOUR PAPER

Work with your printer or graphic house to create your design and have them print it on 8 pt to 24 pt paper or 10 ml to 20 ml styrene (Verify with us on sheet sizes and hole patterns)

SEND PAPER TO US

Contact our customer service department to inform us that printed sheets of paper are coming in to our Alpena, Michigan location

WE PUNCH IT

First come, first serve basis upon arrival, either 100% or 0% scrap

WE SEND IT BACK TO YOU

Punched paper (a.k.a. Pegboard Skinz) will be sent back to your specified location
