

Bringing the Outdoors In...

# THE WILDERNESS COLLECTION

## INTRODUCING THE WILDERNESS COLLECTION

Rustic and realistic wood grains so authentic they bring the outdoors in. Four of our new melamine paper colors even *feel* real to the touch, now with textures highlighting the natural features of real wood. Available on flat panels of MDF or particleboard to manufacture the components you need.

- Slatwall
- Shiplap
- Pegboard
- Furniture Components
- P.O.P. Displays
