

THE
Crater Lake
COLLECTION

FAQs

WHAT IS THE CRATER LAKE COLLECTION?

The Crater Lake Collection is an exclusive line of TFL consisting of 9 exclusive colors with an option of 3 different textures.

WHAT ARE THE 3 DIFFERENT TEXTURES CALLED?

Silt, which is our traditional stipple finish.

Cleetwood, which is our linear wood pattern.

Caldara, which is our woodgrain pattern containing some tighter grain and cathedral effects.

ARE THE TEXTURES LIMITED TO THE CRATER LAKE COLLECTION COLORS?

No, any of our TFL offerings can have textures.

IS THERE EDGEBANDING TO MATCH THE CRATER LAKE COLLECTION COLORS?

Yes, we have partnered with Product Resources Inc/ PRI Supply. They have matched all 9 of the Crater Lake Collection colors.

IS PRI KEEPING THE EDGEBANDING IN STOCK?

Yes, PRI currently has inventory of 1mm 15/16" PVC edgbanding in their warehouse located in Gurnee, Illinois.

IS THERE OTHER WIDTH AND THICKNESS OF EDGEBANDING AVAILABLE?

Yes, PRI can order other widths and thickness of edgbanding.

CAN THE EDGEBANDING HAVE TEXTURE?

Yes, PRI can order edgbanding to have texture.

IS THERE HPL AVAILABLE IN THE CRATER LAKE COLLECTION COLORS?

Yes, HPL is available in all 9 Crater Lake Collection colors.

WHAT ARE THE SHEET SIZES AND HPL GRADES AVAILABLE?

The HPL is available in 4' wide only and in 8', 10' and 12' lengths. HPL is also available in Vertical grade or Post Form grade.

WHAT FINISHES IS THE HPL AVAILABLE IN?

HPL can be purchased in a Suede Finish or a Textured finish. Please contact your sales representative for available finishes.
